

WEST BUCKLAND SCHOOL CONSENT FORM FOR USE OF IMAGES

The School makes various uses of images of pupils during their time at school. These uses include:

- Administration and to maintain the safety of pupils, such as CCTV.
- Media uses, including photos of pupils at work or playing games,
- The School website or as part of a School prospectus or magazine.

Please indicate below if you consent for the time being to your child's image being used for the purposes described. We will seek the verbal or written consent of a parent of a pupil before publishing any image where that pupil is a particular focus of the shot, or identified by name, but not usually when included as part of a larger group or team shot.

Please be aware that objecting as above will not necessarily mean that the School will not continue to process images of your child that are either necessary for administration of the School, or where the School requires it and is otherwise lawfully entitled to do so. It may not be possible to change printed publications, such as the school magazine or prospectus, or third party publications (for example where we have placed an advert or provided an image to a newspaper). Please see our *Taking and Use of Images of Children Policy* for further details, or enquire with the Deputy Head.
