GCSE and A-level Exam Results 2020

In 2020 all UK public exams were cancelled due to the COVID pandemic and so schools throughout England were asked to base their results on internal assessment by the school rather than the normal standardised testing.

As a result, we are only publishing the headline percentages from the 2019/2020 academic year, not the details for each individual subject.

GCSE Results

GCSE 5 passes	96.7%
GCSE % 9-7 (A*-A)	56.5%
