

Background

West Buckland School Foundation was incorporated in 2003 with the aim of raising funds to provide bursaries and help support the school in delivering high quality education.

Whilst closely aligned and mutually supportive, the School and the Foundation are separate charities.

The Programme

Each year the Foundation seeks to award up to two fully-funded bursaries for entry into Year 7.

The award will support the pupil from Year 7 to the end of the Sixth Form, should that pupil wish to stay after GCSEs.

Extras such as school uniform, school lunches, school transport, boarding and other costs not included in the school fees are NOT automatically included in the Bursary award.

Further support may be available for extras at the Trustees' discretion.

The Foundation Bursary Fund

The Foundation has a significant sum invested in managed funds. This is the result of the rationalisation and transfer of pre-Foundation funds, donations raised since 2003 and a considerable gift in 2010 from the Fortescue North Devon and Exmoor Charitable Trust.

This last gift arose from a generous legacy from Zillah Salter (nee Bristow) who grew up on the nearby Castle Hill Estate.

This has become the Fortescue-Bristow Fund and the interest from this fund pays for one fully-funded bursary per year to an applicant from a family who derive their principal income from, or in connection with, the rural economy and live within the North Devon Council area or Exmoor National Park, excluding town council areas.

As well as the Fortescue-Bristow award, the Foundation seeks to award another fully-funded bursary each year.

There are currently 14 pupils at West Buckland School on fully-funded Foundation bursaries.

Eligibility

Applicants to the Bursary Fund must fulfil the following principal criteria:

- Applicants must be day pupils who are permanent residents within Devon or Somerset.
- Applicants must be currently in Year 6 and NOT attending West Buckland Prep School.
- The applicant's family should not be in a position to afford West Buckland School fees.
- As a guideline, the Foundation will only consider those families whose joint family income is below £30,000 (gross) and whose assets are below £250,000.
