

WEST BUCKLAND SCHOOL

Ethnic Origin of Pupils

Since 1990 all maintained schools have been legally required to record the ethnic group of every pupil on entry to primary education and again on entry to secondary education. Local Education Authorities and the Department for Children, Schools and Families (DCSF) use this data to analyse local and national trends in performance, make comparisons and set performance targets. The Independent Schools Council (ISC) will now collect this information from independent schools to monitor and improve their own practices and to celebrate successes achieved by their pupils.

The categories shown in the table are those of the DCSF and ISC Census.
